

Dear Store Manager or Buyer,

I'd like you to consider carrying Enjoy Life products in your store.

Enjoy Life makes really tasty, ready-made foods that are **gluten-free** and **free of the eight most common allergens** (wheat, dairy, peanuts, tree nuts, egg, soy, fish and shellfish) so most everyone can enjoy their cookies, snack bars, granola, bagels (frozen), trail mix and chocolate chips. They use only **all natural ingredients** that are **trans fat free, certified kosher, vegetarian** (some vegan) and **free of GMOs**. Their products are not only nutritious, but also delicious!

Enjoy Life products would appeal to many of your customers who are dealing with celiac disease, gluten intolerance, food allergies, food intolerances and anyone who is following a dietary intervention/gluten-free casein-free diet for autism.

To request product samples and information, you can email support@enjoylifefb.com or call 888-50-ENJOY.

Thanks for your consideration!
